IAM SECURITY TOOLS

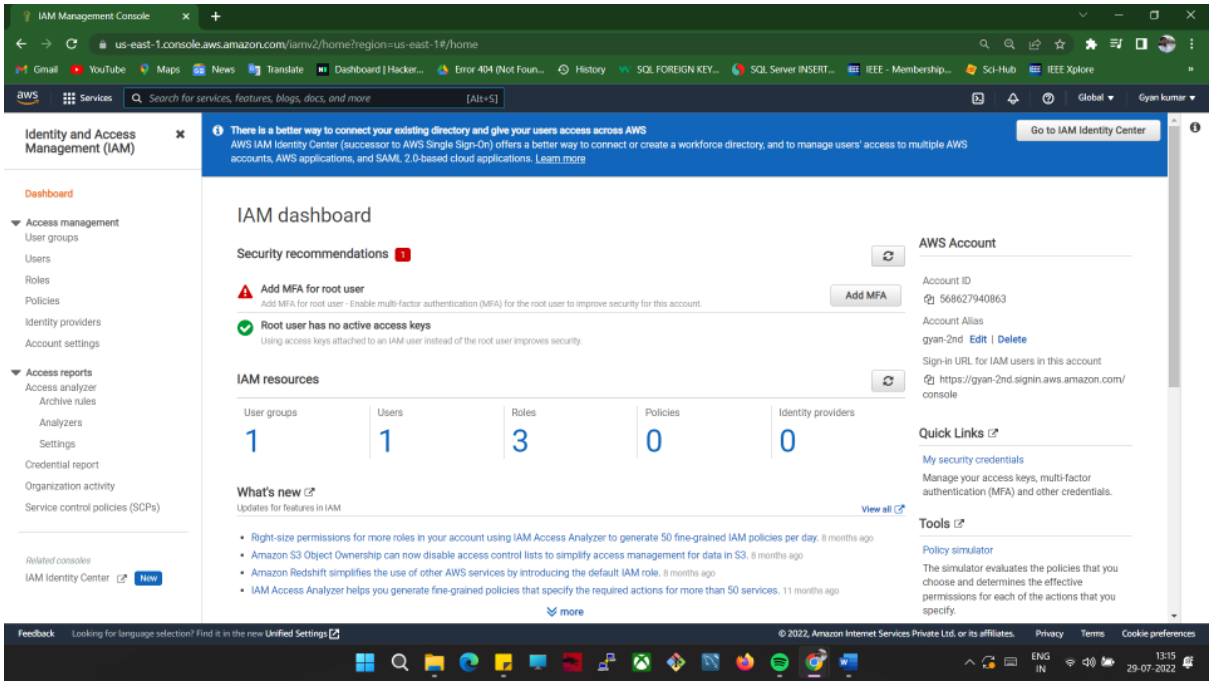
IAM Security Tools

- IAM Credentials Report (account-level)
  - a report that lists all your account's users and the status of their various credentials

- IAM Access Advisor (user-level)
  - Access advisor shows the service permissions granted to a user and when those services were last accessed.

IAM SECURITY HAND's ON

Step 1:- go to IAM dashboard



Step 2:- On the left side you will find the credentials report .

Step 3:-

Step 4:- A CSV file will be downloaded and in which you can find so many information like when the user last change the password and so many things.
