# AWS BUDGET SETUP

It is a good idea to setup a billing budget so we would know we are getting our bill over budget.

Step 1:- Click on My account .

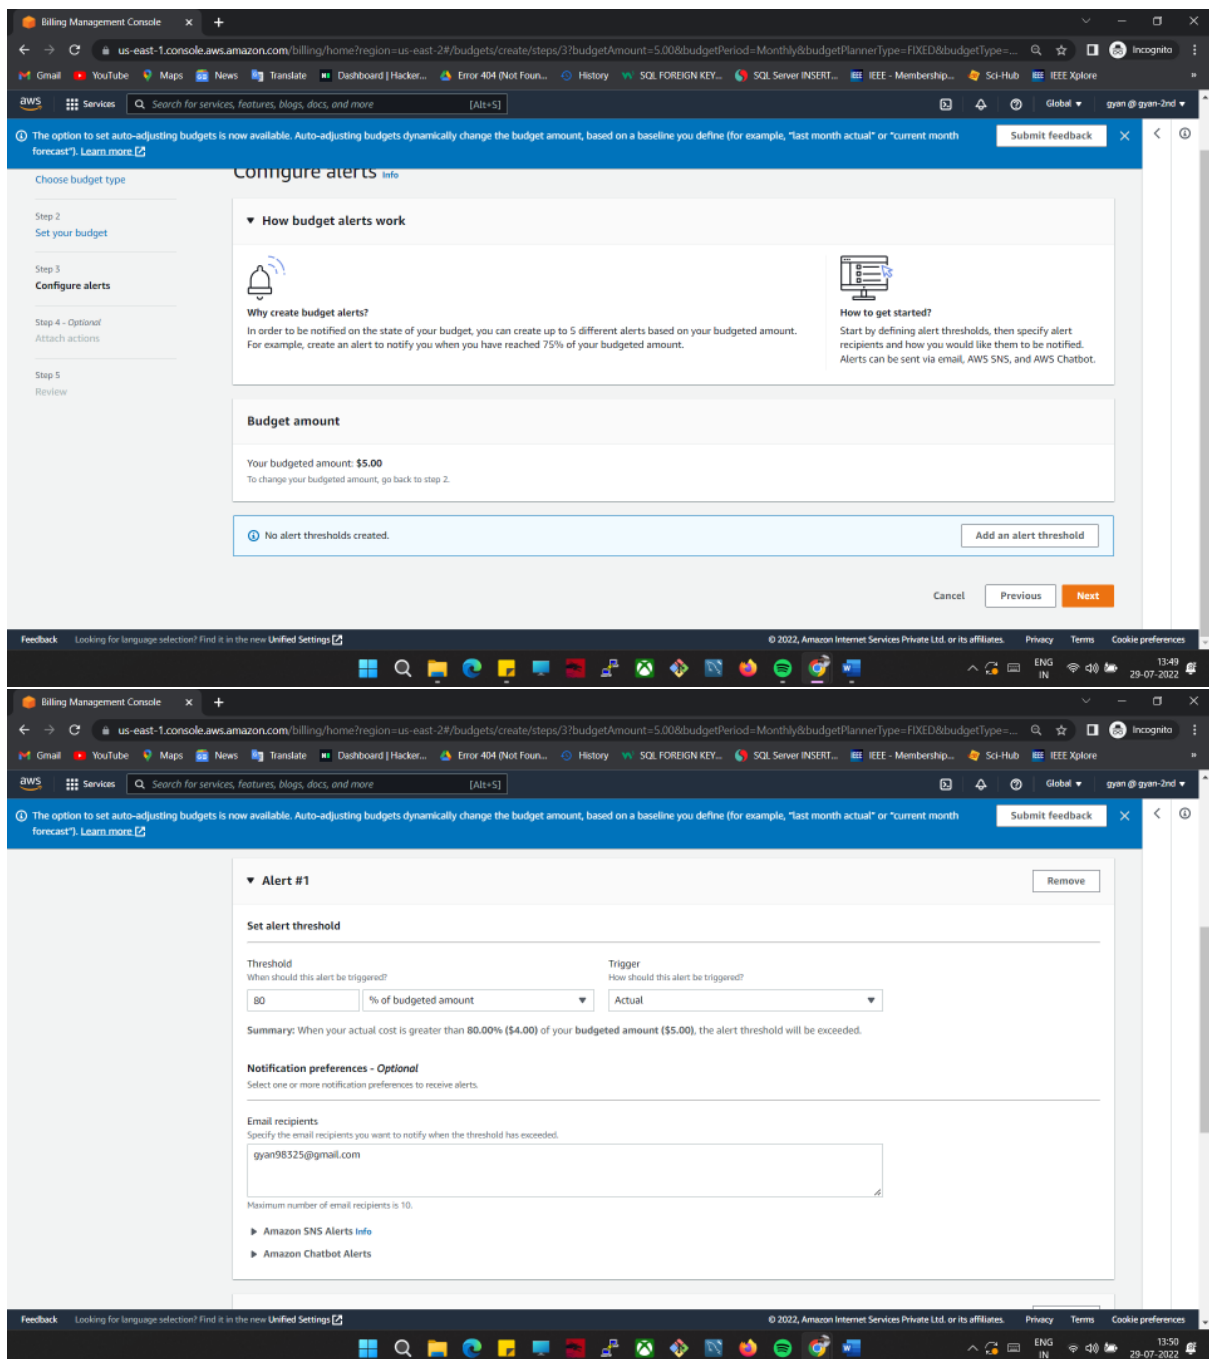

Step 2:- Click on my account

Step 3:- scroll down and check IAM user and role access to billing information

Step 5:- click on edit and activate IAM access

Step 6:- login with your IAM account don't use your root account .

AFTER THAT NEXT -NEXT -NEXT then create budget .
